MY Project:Employment

KPI's

- [ ] The no of unemployed urban and rural male female
- [ ] No of people in employment sector in category if Physically disabled ,Sheduled caste ,OBC,etc.
- [ ] No of weekly workers per 1000

Literature review:

I have made analytics on employment in India.I have distributed amoung differnt states and UTs and shown the no of rural,urban people and no of SC ,OBC ,Physically handicapped .I have also shown data visualization on unempoyment in India
